

# Join Our Focus Group!

## Help Improve Care for Patients with Sickle Cell Disease

### Purpose

We are conducting two focus groups to discuss a new clinical trial aimed at improving the management of acute pain crises in sickle cell disease. Your feedback will help shape this important research and ensure it meets the needs of the community.

### Who Should Attend?

Adults with sickle cell disease  
Parents and caregivers of those with sickle cell disease

### Why Participate?

**Make a Difference** – Your input will directly impact how future care is delivered. Help improve the health and wellbeing of the sickle cell community.

**Be Heard** – Ensure the patient perspective is included in important research.

**Dates:**  
Friday 5 July 24 or  
Monday 8th July 24  
**Time:** 6 PM to 7 PM  
**Location:** Virtual - Zoom
